|--|---|
| ☐ Every line states a specific BluePeak business purpose. | ☐ Required itemized receipts are attached and readable. |
| ☐ No item has been reimbursed, paid by another party, or submitted twice. | ☐ Required travel, conference, gift, software, or exception approvals are attached. |
| ☐ Personal charges and non-reimbursable portions have been removed or identified for repayment. | ☐ Currency conversion uses the posted card amount or approved transaction-date rate. |
| ☐ Business meal attendees and organizations are listed. | ☐ The report meets the 30-day domestic or 60-day international deadline, or includes a late explanation. |

7. Missing Receipt Declaration

Complete only for an expense without required documentation; request a duplicate first

Affected line number(s)	Merchant(s)	Date(s) and amount(s)	Payment method	Duplicate requested from merchant?

Items purchased and business purpose	Why the receipt is unavailable and supporting evidence attached

I certify that the missing-receipt information is accurate, the expense was not personal, and I will not seek duplicate reimbursement. I understand that a declaration does not guarantee reimbursement and may be subject to audit.

8. Employee Certification

I certify that this report is complete and accurate; the expenses were reasonable, necessary, and incurred for authorized BluePeak business; no duplicate reimbursement has been or will be requested; and I will repay any personal, duplicate, or unsupported amount.
